## EDUCATION

---

<b>BTECH - CSE</b>	Gayatri Vidya Parishad College of Engineering (A)	2022 - 2026	8.98 CGPA
<b>Intermediate</b>	Sree Jeevan Jyothi Junior College	2020 - 2022	96.60%
<b>10th Grade</b>	Sri Sai Techno School	2019 - 2020	100.00%

## WORK EXPERIENCE

---

### Software Development Job Simulation, Citi (Forage)

April – june 2025

- Created a state diagram of the loan management process using UML.
- Completed a job simulation involving hypothetical tasks to improve Citi's loan management system and stock market risk reporting.

## TECHNICAL SKILLS

---

<b>Programming Languages</b>	C++(Primary), SQL
<b>Frontend</b>	HTML, CSS, JavaScript, Tailwind CSS, Bootstrap, ReactJS
<b>Backend</b>	NodeJS, ExpressJS
<b>Course Work</b>	DSA, OOPS, DBMS, Operating Systems
<b>Developer Tools</b>	Git, Github, VS Code
<b>Soft Skills</b>	Teamwork, Communication, Adaptability

## PROJECTS

---

### FoodFusion

*React.js, Node.js, Express.js, MongoDB*

- Developed a robust MERN stack application for next-generation food ordering and delivery, leveraging React.js, Node.js, Express.js, MongoDB.
- Implemented features including **user authentication**, restaurant and food search/filtering, real-time order tracking, reviews, and favorites.
- Engineered a scalable admin panel for seamless management of restaurants, menu items, users, and orders.

### CitizenSpark

*React.js, Node.js, Express.js, MongoDB, APIs*

- Built a scalable MERN stack dashboard to visualize district-wise MGNREGA performance and government welfare data.
- Enabled real-time API syncing, automated caching, and historical analytics for fast, reliable updates.
- Delivered a mobile-friendly, and accessible interface optimized for low-literacy rural users.
- Demonstrated expertise in full stack development, data visualization, and civic technology innovation.

## ACHIEVEMENTS

---

- LeetCode** – Contest Rating: 1703+, solved 400+ problems.
- Codechef** – Contest Rating: 1426+, 2-Star Coder.
- Hackathon** – Participated in IDEAthon Hackathon

## CERTIFICATIONS

---

- Front End Web Developer Certification – Infosys**
- Introduction to Internet of Things – NPTEL**
- Certification in AINCAT 2025 – Naukri Campus**
